- Long ago when men cursed and beat the ground with sticks, it was called witchcraft... Today, it's called golf !
- Eventually you will reach a point when you stop lying about your age, and start bragging about it..
- The older we get, the fewer things seem worth waiting in line for.
- Some people try to turn back their odometers. Not me, I want people to know "why" I look this way. I've travelled a long way...and some of the roads weren't paved.
- When you are dissatisfied and would like to go back to youth, think of Algebra.
- You know you are getting old ...when everything either dries up or leaks.
- One of the many things no one tells you about aging, is that it is such a nice change from being young.
- One must wait until evening to see how splendid the day has been.
- Ah, being young is beautiful, but being old is comfortable.
- Old age is when former classmates are so gray and wrinkled and bald, they don't recognize you.
- If you don't learn to laugh at trouble, you won't have anything to laugh at when you are old.
- If you jog in a jogging suit, lounge in lounging pyjamas, and smoke in a smoking jacket, WHY would anyone want to wear a wind breaker?? Hmm?

And best of all...

• I don't know how I got over the hill, without getting to the top.
