First Birthday.

June 4th marked one year from our move to Main Street. The year has flown with much settling in – new staff, new residents and more services.

We had a party to celebrate – cake was eaten and enjoyed. Here's to our second year.

Work will soon commence on the additional 10 beds, with 5 rooms attached to both Lake Anderson and Lake Moodemere Households. This will bring all households to 15 beds.

The additional car park will be completed soon, having been delayed due to wet weather. This will enable us to safely park all of our community cars.

Leisure and Lifestyle Residential Aged Care

As part of national Reconciliation Week, we visited the Aboriginal Art Exhibition at DeBortoli Rutherglen Estate. We were privileged to meet the Australian Aboriginal Art collector Hans Sip, who shared his personal insights into the Exhibition Artist "Turbo" and the paintings he had created. A very informative morning, enjoyed by all.

Animals bring immense joy and positivity to our lives, as seen during a recent visit from some little tailed friends. Bec & Erin from Tails of Connection brought along Murphy the Border Collie and 2 miniature goats whose animal antics brought much laughter and joy to our residents. There was lots of engaging conversation as we shared stories and reminisced about the pets we grew up with or have known over our years. So much fun was had, we will have them return on a regular basis. Wonder who Bec & Erin will bring along for their next visit?

Glenview Health Op Shop

In June we moved our Op Shop to new premises in Chiltern. You can now find us in the main street in the old Gadd building. The move has enabled us to better display our items as there is more space. We also have a change room and an outdoor area that we hope to have some plants for sale in the future.

We aim to open Monday – Sunday – but need a few more volunteers to achieve this. If you have some spare time and are interested, please give us a call.

You may be wondering what we use the op shop earnings for. The money earned is directed toward the Neighbourhood House in Chiltern, enabling us to keep this community asset open and provide FoodShare, primary health and space for other community activities.

Volunteers Needed.

Do you have a few hours to spare. If so, how about helping out at our Op Shop. It's nice, it's friendly and an opportunity to meet new people.

If interested, please give us a call.

Employee of the month.

We have awarded two staff with Employee of the Month awards since our last newsletter.

Leanne McMahon received the award in May. You may have met Leanne at reception. She also works in the laundry and

Our June recipient was Eden Kirk who manages Jasper's Café. Eden has worked tirelessly over the last 12 months

Don't forget to tell us what you think.

We can't make changes and do things better if you don't tell us.

Or we may be doing great – let us know.

Download the App, fill in a paper form or use the kiosk near the RAC entrance to tell us what you think.

We will be monitoring your comments and we will get back to you.

Comments are welcome from staff, residents, families and visitors. The more the merrier.
